

COME CELEBRATE *LIVING*

Brookridge Heights

MEMORY CARE

If you think a diagnosis of Alzheimer's Disease means institutional living... Think again.

A truly different senior living community
for the memory impaired...
where you and your life are celebrated...
spiritually, physically and intellectually...

With beautiful surroundings and a daily calendar full of stimulating activities, residents will enjoy a lifestyle full of possibilities. As you enter our community you will sense the difference, the genuine warmth, concern and compassion of our caring staff. We offer a variety of programs that stimulate the senses and memories of cognitively impaired individuals. We provide a personalized environment for each resident based on their specific needs; delivered with love, understanding and dignity. An environment where your loved one will have the freedom, security and support to enjoy new experiences.
